

LCFE provides the highest quality education and training to the people of the Shannon Region.

We specialise in mainly Level 5 and Level 6 of the National Framework of Qualifications and offer a wide range of quality assured programmes in a wide variety of disciplines.

Our purpose is to provide a quality education and training experience to our learners so that they can gain employment or progress to higher education.

We take pride in providing our learners with a valuable insight into the world of work supported by a comprehensive career guidance and learner support service. Our close links with local industry, research agencies and higher education in developing courses ensure that learners have excellent job prospects and opportunities for furthering their education.
