

Limerick College of Further Education
Realising new futures

Limerick College of Further Education will hold its' **Annual Information Morning** on **March 28th from 10.00 to 13.00**. LCFE offers Further Education Courses and Professional Qualifications in a variety of disciplines and caters for approximately 1200 full-time learners each year.

Our courses are at **QQI Level 5 and Level 6**. Partner awarding bodies include **City & Guilds, Accounting Technicians Ireland, CIBTAC** and **ITEC**. Such qualifications can provide a passport directly into the workplace and also for progression onto Higher Education.

At our **Information Morning** you will have the opportunity to meet with staff and course leaders, to further investigate our courses, facilities and progression opportunities.

LCFE has connections and links with many industries and colleges throughout Ireland. Our dedicated and committed teaching staff ensures you get the best of guidance and education. We offer our learners a chance to grow, nurture, mature and expand. We are a chance to take stock of where you are presently and where you plan to go.

LCFE is now accepting applications for its more than 70 full-time Day Courses in the 2019/20 academic year. Apply online through the college website at www.lcfe.ie.
